RULES AND ADDITIONAL CONDITIONS OF THE FESTIVAL'S PROTOCOLS ON BOARD CRUISE SHIP AND ON LAND:

Since the publications of the Brazilian Government Ordinances, approving Cabotage and the Maritime Cruises Season in Brazilian jurisdictional waters, as well as the approval and publication by Anvisa (Brazilian entity) of a resolution on the Official Protocols to be adopted, in October/2021, H&H has since carried out a hard work with Costa Cruises and the government to better understand the safe and health viability of our festival on board a cruise ship this year.

Protocols for boarding:

- 1) Proof of complete vaccination of participants: all guests must provide proof of vaccination with a full cycle (single dose or double dose) having taken within 14 days or more of the departure date. Proof of vaccination must be printed by the ConectSUS application or other proof of vaccination printed as long as it has the respective "QR Code" (Brazilian passengers) or printed by the official entity of the respective country (Brazilian passengers residing abroad or foreign passengers). Vaccines accepted for cruises will be those approved by PNI/Anvisa (Brazilian entity) and/or those approved by WHO.
- 2) Presentation of a negative laboratory test for screening of Sars-CoV-2 infection (Covid-19): all guests (Brazilian or foreign passengers) must present a negative clinical examination result, such as RT-PCR test will be accepted within 48 hours (by Costa Cruises orientation, the exam period was 72h to 48h) in advance of its completion to the embarkation date or Antigen test with up to 24h in advance of its accomplishment to the embarkation date.
- 3) Traveler's Health Declaration: upon boarding, all guests must present a completed and signed form within 6 hours before boarding with the "Traveller's Health Declaration" following the Anvisa (Brazilian entity) model that will be made available by Costa together with other documents of Check-in and Boarding, including the early Web-Checkin that will be sent together with the terms of responsibility and regulations of the festival on board the ship, already accepted by all passengers at the time of purchase.
- 4) "Covid-19" insurance: will be recommended by Costa Cruises to all passengers due to the local operational plans in the municipalities where our itinerary stops. H&H will offer the possibility for the passenger to purchase an "upgrade" from the basic insurance already included in all packages if you want to purchase the plan with "Covid coverage". In addition, the passenger is free to choose another insurance with "Covid coverage" directly or your boarding will be subject to signing a liability waiver at the Port, and may be restricted in not disembarking at stops and events on land (which may change).
- 5) Maximum occupancy of 75% of the vessel was reduced: with the objective of the greatest possible transparency, maintaining its credibility, H&H had already anticipated this possible reduction in the maximum capacity and had STOP SALES on August/21 in order to comply with such determination, with cabin reservations for cases of contingency and isolation. In this sense, our Waiting List as well as any and all packages for this year's festival are completely SOLD OUT! In addition, we emphasize that, unlike previous editions, we will be extremely strict with regard to all the rules of our festival regulations, in

particular for closing deadlines for any and all changes to reservations (ex. changes, exchanges and passenger appointments) or even pending issues of any nature that end definitively on November, 24 or 2021 so that all Check-in and Boarding documentation can be issued directly by Costa Cruises. Stay tuned!

Protocols during the cruise and festival:

6) Distance between groups of travelers of at least 1.5 meters in specific areas on the cruise ship: even though we are a "single charter group", social distancing in areas of the cruise ship, primarily in bars, restaurants and derivatives, will be recommended.

7) Use of individual masks: it will be mandatory to use masks on board, at stops and in the passenger terminal, and once again its recommended, primarily in bars, restaurants and derivatives, except for swimming pools and wet areas.

8) Random onboard testing: the cruise ship's owner, Costa Cruises, will carry out a minimum of daily random onboard tests (10% of the crew and 10% of the passengers, every day) throughout our festival.

9) Musical events allowed on board the cruise ship: all program of regular events will take place outdoors on the external cruise ship decks (Stages in the Aft and Central Pools), as well as other simultaneous events or experiential line-ups will take place indoors, however with certain established limitations. In this sense, see small changes and adjustments that we had in the festival's program on board the ship, keeping practically everything that H&H had previously announced.

10) Other mitigation measures and health assistance on board will be taken and can be consulted in detail in the final links on this page: training of crew and service providers, hand hygiene, buffet food services served by the crew, health team on board qualified and trained, constant monitoring, cleaning and disinfection, special management of solid waste and the onboard ventilation system, among others.

Protocols at stops and events on land:

11) Stops and events on land are authorized (may change at any time without prior notice): H&H's itinerary is confirmed (Port of Santos/SP – Ilhabela/SP – Angra dos Reis/RJ – Port of Santo/SP), and the embarkation and disembarkation of passengers participating in the festival are free to participate in "land events", provided that they are private and comply with local sanitary measures and the protocols of their municipalities, as well as the respective operational plans signed between the shipping company (Costa Cruises) and each of the local Governments.

12) Other mitigation measures and health assistance at stops and land events: any limitation on boarding and disembarking the cruise ship for the respective municipalities of events on land, especially due to local limitations, constant monitoring and procedures with local service providers and/or workers of such events. In the extreme case of the need to change the itinerary to a location other than the one previously announced, the disembarkation/boarding of passengers at the new regular stop will be allowed without holding local events on land. We remind you that the holding of events on land is subject to weather conditions and local safety protocols against Covid-19 contagion from the cruise ship and local governments.

Complementary protocols and other information:

13) In addition, Costa Cruises established with the Brazilian and international authorities, some protocols and complementary restrictions, always aiming at the health and well-being of all its passengers, crew and contributors, such as:

- The shipping company (Costa Cruises) reserves the right to refuse boarding or ordering the boarding of passengers if the health conditions or requested information mean that they cannot travel or enter the cruise ship in accordance with current health and safety regulations, or if these people refuse to provide the necessary information and/or documents, or to undergo health screening carried out on board.

- Passengers, crew and contributors must agree with the "Costa Safety Protocol". People who do not comply with these procedures will be disembarked, and Costa Cruises or H&H will not be liable for any other damages that these people may suffer as a result of this disembarkation.

- Passengers with serious illnesses and in need of constant assistance are prohibited from boarding cruises according to Costa, exclusively for people with severe respiratory failure or need for oxygen or mechanical ventilatory support; people with immune system failure or under treatment with immunosuppressive therapy.

- Additional restrictions such as people over 65 years of age or people suffering from 3 or more of the following medical conditions regardless of their age such as: ischemic heart disease, atrial fibrillation, heart failure, high blood pressure, type 2 diabetes, chronic lung disease, chronic liver disease, chronic kidney failure/dialysis, autoimmune diseases, obesity, cancer under treatment; should consult their physician before booking a cruise.

IMPORTANT: In addition, foreign passengers must follow additional protocols for entry into Brazil (effective upon arrival/return). All protocols may be changed at any time without prior notice. It is recommended to check the status of your reservation, even if confirmed, the day before your departure!

CURRENT RULES AND CONDITIONS OF THE FESTIVAL CANCELLATION POLICIES:

Currently, the CANCELLATION POLICY of H&H FESTIVAL 2021 – Cruise Edition packages is basically divided between reservations made before or after the notice of cancellation of the year of 2020 edition due to the state of public calamity of “Covid-19”. In this sense, we have:

1) Reservations made before August, 26 of 2020: cancellation policy for these reservations from the time of their respective purchase until boarding on the new date of the festival canceled in the year of 2020 and postponed to the year of 2021 (Dec, 9 until 12 of 2021), in accordance with Brazilian Law No. 14,046, of August 24, 2020, has a 100% fine. In other words, they are not refundable due to any type of unilateral passenger cancellations at this time, as all legal requirements established by H&H up to the date of the festival canceled in 2020 were given and complied with (ex. benefits package, option to convert credits into Clube H&H points of the amount fully paid, reschedule for a new festival date, among others). In this sense, these reservations would not have any type of refund even in cases of “no show” for the festival confirmed for this year of 2021.

2) Reservations made after September, 7 of 2020: cancellation policy for reservations made after the reopening of sales with the new festival date in the year of 2021 (Dec, 9 until 12 of 2021) from the time of their respective purchase until boarding on the new festival date, they have a cancellation policy in accordance with the current purchase contract: 50% fine from the time of purchase up to 30 days of travel; 29 days to travel, 80% fine; with 15 days to travel or “No Show”, fine of 100%.

ADDITIONAL RULES AND CONDITIONS OF THE “VOLUNTARY CANCELLATION DUE TO IMPEDIMENT” CAMPAIGN:

Always aiming the well-being of all our passengers, once again H&H will make an exception and launch the VOLUNTARY CANCELLATION Campaign due to boarding impediment, because if you are not comfortable of traveling at this time due to the new protocols announced, and If you have a “real, feasible and tangible reason” that is proven to make your boarding impossible, check this special campaign where you can convert the amount paid (total or partial) for your cabin into CLUBE H&H credits without any penalty for cancellation! Currently, the CANCELLATION POLICY for festival packages, as detailed above, is divided between reservations made BEFORE (until Aug, 26 of 2020 - without any refund for cancellation) or AFTER (after Sep, 07 of 2020 - with refund policy according to the travel contract and proximity to the date of departure) of the notice of cancellation of the year of 2020 edition due to the state of public calamity of “Covid-19”, in accordance with Brazilian Law No. 14.046, of August 24 of 2020. In this sense, it follows the rules of this new policy of this campaign:

- Cabin cancellation requests (total or partial) must be made from November, 16th until 24th, 2021 (at which time any changes to your reservation will no longer be allowed, even in case of “no show”, as per the festival rules and conditions). H&H team will analyze the request and return it to the passenger within 48 hours.

- Along with the request, the passenger must send documentation proving “real, feasible and tangible reason” that makes boarding impossible due to the Official Protocols just announced (ex. vaccination card without the first or second dose or

even after the stipulated minimum period of 14 days; vaccines received outside Brazil without approval by the PNI/Anvisa or WHO; positive "Covid-19" exams within the stipulated period; among others).

- It is solely and exclusively available to H&H the eligibility of the cancellation according to the content of this campaign. If not, the passenger may also opt for the cancellation and regular rules mentioned above or transfer its package or cabin to third parties within the maximum period for changes (Nov, 24 of 2021), exempting H&H from any responsibility in this regard.

- In case H&H accepts the cancellation request, our team will confirm by email and send the CANCELLATION AGREEMENT, which must be completed and signed by the paying passenger and/or other accompanying paying passengers on the reservation. The deadline for returning this signed document will be November, 30 of 2021, considering that from November, 24 of 2021 the reservation will already be canceled (partially or totally) in the H&H TOUR system. There will be no cancellation waiver after this period, even without having the document signed back, and this scenario is characterized as "NO SHOW".

- After December, 15 of 2021, H&H will contact all eligible passengers for refunds (partial or full) of reservations canceled with this new policy, provided that all its specific rules are complied with, in particular the completion and signature of the respective term, so that the period for reimbursement of the total or partial amount paid is established between the PARTIES (except extras that must be calculated separately, also discounting any intermediation commissions from agents, agencies, operators or tourism ambassadors).

- The refund of the total or partial amount paid, referring to the respective cancellation, will be made after December, 31 of 2021, EXCLUSIVELY in the conversion of BRL paid into CLUBE H&H program POINTS credit as follows: The total amount of "credit" will be converted by the equivalence of "R\$ 1.00 = 10 Points" at CLUBE H&H. The total number of "Points" to be credited to CLUBE H&H loyalty program is personal and non-transferable, with a bonus exclusively through the ID (Passport Number) of the main passenger and/or companions (if any and if nominated). In addition, there will be no refund of the "credit" in cash or any other form than in "Points" in the CLUBE H&H loyalty program. No type of "credit" will be validated for passengers who have paid on behalf of third parties (even through a third-party authorization form). In order for the total value of points converted into the CLUBE H&H loyalty program to be credited to the passenger, the passenger must have or create an account in such loyalty program within 30 days after notification of conversion. If the passenger does not create his account within the deadline, these points will automatically expire, and the process ends. H&H will not give any kind of future "credit". Once the CLUBE H&H points have been validated and credited/deposited in the passenger's account, they will be valid for 1 year (12 months) after the credit date and must comply with the specific regulations of CLUBE H&H and its respective products available. The passenger will give full, irrevocable and irreversible discharge regarding the terms of this cancellation.

- All details and other specific rules for this conversion, which must be accepted by the passenger, including the festival regulations, as well as the rules and regulations of the CLUBE H&H program, will be signed in the specific term mentioned above, thus ending the process of such cancellation and reimbursement.

This campaign is promotional, restricted and exclusive according to eligibility, for a determined period of time, and may be changed at any time without prior notice, applicable to possibilities of cancellation (total or partial) provided for in these final REGULATIONS, in order to be exclusively arbitrated by H&H.

ADDITIONAL RULES AND CONDITIONS OF THE FINAL FESTIVAL WAITING LIST (CLOSED):

Showing its transparency and responsibility, due to the extension of the global situation of "Covid-19 pandemic" in the year of 2021, H&H Entretenimento together with Costa Cruises is anticipating a possible reduction in the maximum allowed capacity for boarding our ship cruise and SOLD OUT all its latest available categories. In addition, both companies are working together with government entities (ex. Anvisa) to shortly announce the special protocols that we will follow at the festival aboard the ship cruise this year. According to the publication of Ordinance No. 657, on October 2nd, by the competent Brazilian authorities, the return of the 2021/22 cruise ship season in Brazilian waters is approved and released. Among the main

measures adopted and to be defined by Anvisa in Brazil are: vaccination of guests and crew, pre-shipment Covid-19 tests with rigorous screening, flexibility of the maximum ship capacity with eventual reduction, fresh air without recirculation, disinfection and constant sanitation. Another important measure is that the stops will follow the protocols of the shipowners and local governments, which will also have an impact on our land events (yet to be confirmed). In addition, foreign passengers must follow additional protocols for entry into Brazil (effective upon arrival/return). In this sense, a WAITING LIST was created, which will be paid through a first installment FEE, for possible future capacity releases/increases. Check the additional rules and conditions of this final festival waiting list (CLOSED):

- When making your reservation, for one of the categories still with the possibility of a waiting list (which are: INTERNAL and EXTERNAL BALCONY cabins/staterooms), it will be waiting in order of arrival at H&H TOUR online reservation system (date/hour/minute), not guaranteeing availability and/or rate/price until your effective call, full payment and confirmation in accordance with the established deadlines.

- A deadline up to 3 (three) days will be provided for the payment of the first installment FEE, through international credit card, in the amount of R\$ 499.00 per person - *equivalent of USD 98.00* (R\$ 499.00 SGL - 1 passenger; R\$ 998.00 DBL - 2 passengers; R\$ 1,497.00 TPL - 3 passengers; R\$ 1,996.00 QDL - 4 passengers – *note: the price of this waiting list fee for your reservation will be processed in Brazilian R\$ with the equivalent in USD*) regardless of the category on the waiting list or the price where this reservation can eventually be confirmed. Failure to pay this fee within the established deadline will result in the immediate cancellation of the reservation, which will no longer remain on the waiting list. If the passenger wants to make a new reservation, it will enter a new position at the end of the waiting list, also in order of arrival, in accordance with the above-mentioned rules.

- If your reservation, with the first installment FEE already paid, is eventually contemplated/called due to the release of additional capacity: the passenger holding the reservation, as well as their respective companions (if any and if nominated), will receive a notification for payment of the additional residual value according to the price at the time. Reservations will not be confirmed with configurations other than those already on the waiting list (ex. SGL, DBL, TPL and QDL). In this sense, the reservation will have a new deadline of up to 3 (three) days to complete its payment, be confirmed by the system, voucher issued and finalized. If this payment deadline is not met, the reservation, even if contemplated/called, will be automatically canceled and the amount paid in advance can be used as "credit" for a new reservation on the waiting list or for cancellation according to the rule specified below. In the exceptional case that your reservation, already confirmed and paid, is canceled due to a reduction in the maximum capacity established by the competent authority, the rule will be applied in accordance with the clause below, also following the new Law No. 14,046 of AUGUST 24 of 2020, renewed for the extension of the state of public calamity ("pandemic") for the year 2021 in Brazil.

- If your reservation, with the first installment FEE already paid, is NOT contemplated/called due to the non-release of additional capacity: the passenger holding the reservation, as well as their respective companions (if any and if nominated), hereby declare their express consent that your reservation will be canceled, and this amount paid will be converted into CLUBE H&H POINTS ("credits"). From the total amount of "credit" will be converted by the equivalence of "R\$ 1.00 = 10 Points" at CLUBE H&H. The total number of "Points" to be credited to the CLUBE H&H loyalty program is personal and non-transferable, with a bonus exclusively through the ID/PASSPORT of the main passenger and/or companions (if any and if nominated). In addition, there will be no refund of the "credit" in cash or any other form other than in "Points" in the CLUBE H&H loyalty program. No type of "credit" will be validated for passengers who have paid on behalf of third parties (even through a third-party authorization form). In order for the total value of points converted into the CLUBE H&H loyalty program to be credited to the passenger, the passenger must have or create an account in such loyalty program within 30 days after notification of conversion. If the passenger does not create his account within the deadline, these points will automatically expire, and the process ends. H&H does not have any kind of future "credit" responsibility. Once the CLUBE H&H points have been validated and credited/deposited in the passenger's account, they will be valid for 1 year (12 months)

after the credit date and must comply with the specific regulations of CLUBE H&H and its respective products. The passenger will give full, irrevocable and irreversible discharge regarding the terms of this waiting list. The amounts of this "credit" in CLUBE H&H points are not subject to monetary correction, interest or any other type of reward from the period between its payment and the date of the respective refund. Except for reservations that may have already been confirmed and fully paid, which may be subject to cancellation due to new capacity reductions, they may apply the provisions of the new Law No. 14,046 of AUGUST 24 of 2020, with their respective reimbursement in cash within 12 (twelve) months from the date of departure, or can still have "credits" at CLUBE H&H points to be used in other H&H Entretenimento products (upon availability, either in RESORT 2022 or CRUISE 2023).

- No extras or additional products will be sold and/or allowed to be included while the reservation remains on the waiting list. Extras or additional products can only be included (if they are still available) in reservations contemplated/called with status of "awaiting payment" and/or "awaiting payment confirmation".
- Commissions fees from agents, agencies and/or tour operators that eventually intermediated this waiting list will not be accepted, except in the case of contemplated/called and confirmed reservations.
- These supplementary rules are subject to change without notice. This "waiting list" action will not be cumulative with other actions and/or promotions, as well as it obligatorily requires that the H&H FESTIVAL 2021 - Cruise Edition take place on its new dates announced in the year of 2021. This action is fully extinguished in case of a new cancellation and/or postponement of the festival due to "Covid-19 pandemic", which cannot be accumulated or required, or may not conflict with any laws approved by the Brazilian Government.
